

Are you experiencing paranormal activity in your home or work place?

Are you experiencing paranormal activity in your home or work place?

S.E.I.P.S. is here to help.

We are a group of scientifically minded paranormal investigators who would like a better understanding of spirits and hauntings.

No haunting too small

Although we feel that most "hauntings" can be explained away with a little scientific sleuthing, we do believe that SOMETHING is out there. Please don't hesitate to contact us if you need our help, have a quick question or would just like to pick our brains.

We investigate & educate free of charge.
info@s-e-i-p-s.com / www.s-e-i-p-s.com

We are strictly a scientific group.
We do not investigate through psychic or pagan means.
